22.3.07. Student Exhibition

By Gillian Ellison

STUDENTS from six secondary schools are showcasing their art work at Lowes Court Gallery, Egremont.

The Annual Copeland Schools Art exhibition runs until April 24.

The exhibition space is always transformed by a vibrant selection of work from a wide age range of pupils.

"The teaching staff involved give something of a free rein to their classes, whilst evidence of elements such as drawing ability and colour awareness can still be seen underlying the pieces produced," said a spokesman for the gallery.

"The Gallery consider it a credit to the schools involved that they can find the time and space to continue to help and encourage their pupils and community by showcasing their work."

Featured schools are Ehenside, Harecroft, St Bees, St Benedict's, Whitehaven and Wyndham.

Opening times: Mon-Sat 10am-5pm
(except Weds. 10am-1pm).
