Special extra Egremont Farmers, Crafts and Fairtrade Markets **Egremont Market Hall**

Due to increased demand in recent months and the success of the monthly Egremont Farmers, Crafts and Fairtrade Market the stallholders and organisers have decided to trial Saturday markets by holding a special market on Saturday 6th October 2007.

The number and variety of stalls continues to increase market on market and customer numbers are now greater than ever before. By holding the Saturday trial the organisers are hoping to show there is enough demand to warrant regular Saturday markets in addition to the monthly Friday market. Should this prove to be the case it is planned to start these regular Saturday markets in the new year.

To service demand from Christmas shoppers there will also be an additional market on Friday 7th December.
